RESULTS

Thank you all for entering the Nelly National 91. With an increased entry in both sections of the event the time spent by the Organisers - the two E's! - has been well rewarded. The 60% increase in the Minor entries was mainly due to the article appearing in Motoring & Leisure (CSMA house magazine) and the Editor, following in the footsteps of the CSMA Competitions Committee, has provided three additional awards to the best three placed entries submitted through the write up.

We wish to congratulate the Winner, Malcolm Price, who after 2 years in Third spot has reached the top of the tree! Well done! Mike Keeble is the first to benefit from our re-allocated award system in recognising those who have not been in the Top 10 in the last three years - this is NOT a 'Life time' expert tag! Peter Lear, in addition to being 8th overall took the Veteran Award with a nett of only five penalties - just shows that the 'old 'uns' can still do it! Anthony Preston, a newcomer to us, took the Minor.

Increased entries is one thing but what is more important is the return These were up by 5% in both sections of the in the answer sheets! competition and we shall strive to increase further in the coming year! The comments received give us considerable satisfaction and renews our enthusiasum to serve you, the customers generally, and not just the over keen few at the top. Our presentation - particularly providing 20 out of 22 for the Full - has proved most popular and is keeping us at the top. Following comments from one or two leading entrants in NN90 we put in some rather difficult and lengthy sections for NN91 but this has not gone down very well. We have noted your comments and will adjust NN92 accordingly. We are not too old as a team or individuals to learn! In the Full Competition many admitted that they were out of their depth, would welcome our comprehensive 'How it should have been done' sheet and were determined to come back next year - even if it meant down-grading to the Minor to get more experience! Maybe with their experience in to the Minor to get more experience! the Nelly they will join other TT's?

To return to this year's awards! We had support from 50 CSMA <u>Unattached</u> members in the Full Competition and in return for this loyal support we are providing a further 3 engraved pens for them. Anne Wilson in 17th position took the Best Lady award - she was 28th last year so experience is beginning to show! Peter Harbord, 25th last year, has come up to 9th and collects £15 as Best CSMA - another getting the Organisers' wavelength! In the Minor, Janice Bell has, for the second year, collected the Best Lady award! 10th last year and 15th this year - how's that for consistency!! It's another OS Atlas, Janice, but it is a reprint from last year! You can pass on last years' copy to Dave!

Our thanks to our Sponsors - Frizzell Insurance & Financial Services Ltd, Britannia Rescue, Ordnance Survey and Rally Navigation Services for their donations which has enabled us to give such a valuable and extensive award list. Without their help the event would only be a shadow of what it is.

These results, and awards, are going out well in advance of the published date so it only remains to wish you all The Compliments of the Season.

The Nelly National 1992 will run from 15th October to 10th November - keeps clear of the RAC - so don't forget to make notes in your new diaries! We haven't yet decided on the map but all will be revealed when the Regs are out - they will be sent to all this years entrants automatically early in September '92.

Brian Bishop, Andy & Keith Endersbee - Joint Organisers.
