* donates that competitor has requested a cash award in lieu of other award.

§ donates a 'Best in Club' award as that Club or CSMA Group had five or more entries with at least three finishers.

As will be seen from the above the extent and value of the awards is excellent - 19 awards for 62 finishers (30%) takes some beating! The support from our Sponsors enables us to achieve this percentage and our thanks go to Rally Navigation Services, Ordnance Survey, Frizzell Financial Services, Britannia Rescue (our wholly owned subsidiary company voted again as the quickest responders to an emergency out of all the others, CSMA members and non-members alike!) and our own Leisure Services Dept (Competitions) at Brighton.

One or two pertinent remarks:-

This from a first-timer. 'Thanks for letting me participate in the Rally --- you must have spent hours trying to work out the clues ---- I will be checking the couple of sections that I managed against the answers, but I don't hold out much hope for getting them right. I will be back next year and next time I will know what I am letting myself in for!'

From a MINOR entrant - 'I attempted a few more sections but nowhere enough to put in a FULL entry -- many thanks for providing yet another set of intriguing and enjoyable puzzles and I am looking forward to being able to have another go next year'

From a FULL entrant - '..... Some very accurate plotting was required and I think that getting the shortest route, answering the PC's and avoiding 'Elephant traps' has been difficult. In my opinion this is the right way of doing things, as if people cannot understand a TT they will not be back next year.'
