The RALLY ROUND Awards

1	Otley MC	497
2	Guildford MC	457

Saracad Marketing kindly supplied two Rally Round Board Games to award as prizes, and as we said in the Route Card we have awarded them to the two Clubs with the highest aggregate score from both sections of the competition. We must say that the CSMA entry would appear to have won hands down, with an aggregate score of 1350, but unfortunately the scorers were either from different centres or were CSMA/Unattached (ie. Far flung corners of Empire) and so we made the awards to the next highest Clubs. (otherwise we would have had to send .3 to NEL, .1 to Sussex, .1 to Dorset, and so on). We still counted their widely scattered entry towards a Best in Club award, so hopefully that should make amends.
