CULTIVATED WIN FOR PRICE

MALCOLM PRICE chalked up his first win of the season on CSMA lpswich Group's CULTIVATOR. Not only did the event boast a fine entry of 115 on It's first sortee into the Championship reckoning but it managed to produce an event that gave the majority of competitors an enjoyable outting.

61.74% (71 contenders) returned their answer sheets with Malcolm Price winning by 1 point from Colin Hensman, this position guaranteeing the '93/94 Championship crown to Colin as well. Third place went to Martin Rea, a further point adrift.

HENSMAN'S CROWNED CHAMPION

The 1993/94 National Table Top Championship season has brought another new winner to the rostrum. COLIN HENSMAN's second place on the final round - CSMA Ipswich Group's CULTIVATOR was sufficient to take the shield to St Albans.

The '92/93 Champion - ROGER LINTOTT - will, no doubt, be sorry to let it go and was in with a chance of retaining the title but would have had to finish at least three places higher than Colin to do so.

MARTIN REA has captured runner-up spot for the second consecutive year with ROGER LINTOTT taking third, these two being split on the tie break rule.

Fourth place goes to BRIDGET LEWIS after a consistant season, fifth to MALCOLM PRICE, sixth to HOWARD SIMPSON, seventh to TED MANKTELOW, eighth to RALPH SANDERS, ninth to JEFF SMITH and tenth to PETER HARBORD.

The new loyalty award has been won by DON CLARKE with JOHN BOOTHER and JOHN PERTHEN runners-up.

Congratulations to all award winners, cheques and trophies will be despatched separately in a few weeks time. The full Championship table is produced alongside which also includes contenders' '92/93 finishing position. Remember, that competitors gaining a result from four events have had their highest score ignored to arrive at the counting total.

To conclude, this Bulletin will be sent to all CULTIVATOR entrants and others included in the final table. All others on the mailing list will be sent a copy when the coming season's Championship Regulations are sent out.

§ Championship 'Loyalty Award' contenders.

Ties have been resolved in favour of the contender with the number of lowest scores, then next lowest and so on in accordance with the Championship Regulations.
